

Portable Pump Kit

The Versatile Portable Pumping Solution

Benefits of the new Portable Pump Kit:-

- Simple to use
- Great performance and low voltage pump
- Easy to maintain with a wipe clean hose and nozzle
- Suitable for cold and warm water, diesel, light oils and water-based fluids including most water based pesticides.
- Can be used in a variety of applications:-
 - Wash down for Car, Caravan & Boat
 - Pumping diesel
 - Showering, spraying and garden watering
 - Bilge / storm water clearance
 - Filling on board water tank

Please Note: If the Portable Pump Kit has been used for diesel transfer you must not re-use for water or any other liquid transfer.

 Portable Pump Kit is not suitable for petrol.
